Chief Building Official
Park City Municipal Corp.
Park City, Utah

Dear Ron:

As per your request, I have looked through our records and cannot find any documentation of a complaint from either a PCMC employee or a citizen regarding health issues associated with the old Park City landfill site. Furthermore I have absolutely no recollection of ever hearing of such a complaint since coming to Park City in 1986.

Sincerely,

A handwritten signature in cursive script, reading "Robert W. Stephens".
